CHINMAY DAMLE

Student

ABOUT ME

Motivated 4th-year E&TC engineering student with a strong foundation in programming languages such as C, Python, HTML, CSS, and JavaScript. Proficient in leveraging Arduino and Microwind for hardware-based projects. Two internships in server management and ultrasonic generators manufacturing have honed my technical acumen and practical skills. Possesses adeptness in team management and effective time management. Eager to apply diverse technical knowledge and skills in a professional setting as I transition into the industry.

HARD SKILLS

- C
- Python
- HTML
- CSS
- Arduino
- Microwind

SOFT SKILLS

- Adaptability
- Observation
- Teamwork
- Time management

EDUCATION

- B.E Electronics & Telecommunication MMCOE (SPPU), Pune Aug '20 - Present
- XII (HSC) MES Abasaheb Garware College, Pune Feb '20
- X (SSC) MES Vimalabai Garware High School, Pune Mar '18

PROFESSIONAL EXPERIENCE

Assistant Server Manager
WeShine Tech Pvt. Ltd. | Pune
1 Oct '20 - 30 Oct '20

Manufacturing intern Ultrasonic generators
Johnson Plastosonic Pvt. Ltd. | Pune
30 Jan '22 - 28 Feb '22

ACHIEVEMENTS

- Japanese Language Proficiency Test (JLPT) N5 certified. | July '22
- Udemy certified in Arduino Uno. | Jan '22
- Spoken tutorial certified in Android app using Kotlin. | Nov '21

PROJECTS

- Developed a website on Historical places | Nov '22
- Developed Hospital Management system | Aug '22
- Automatic Rain sensing wipers | Feb '22
- Ball Speed Checking device | Jan ' 20
